

# The Truth

The truth is not always what we want, but it is the truth that will always bring forth the answers that we need to solve the problems in each particular situation. Our goal is always the Truth.

*The key to solving the problem is finding out the truth.*

For it is not those who hear the law who are righteous in God's sight, but it is those who obey the law who will be declared righteous.

Romans 2:13

"No man is above the law and no man is below it; nor do we ask any Man's permission when we require him to obey it. Obedience to the law is demanded as a right; not asked as a favor."

Theodore Roosevelt

(Third Annual Message to Congress,  
December 7, 1903)
